BULGARIANS MEET DEFEAT NEAR MONASTIR

Allies Take Two Villages South-
east of City

VON LINSINGEN HARD PRESSED

City of Lutsk Has Become Center of
Activity in Province of
Volhynia.

London, Oct. 6.—The allied armies
have defeated the Bulgarian forces
southwest of Monastir, according to
a dispatch received by the war office.
The French and Russians have taken
the villages of Buf and Poplin south-
west of Monastir.

A dispatch from Saloniki says that
the Bulgarians on the Struma front
have been forced to retreat. Furious
fighting is in progress on the right
wing according to the statement
of Gen. Garrair.

With the Russians still vigorously
attacking the Austro-Germans in Vol-
hynia, west of Lutsk and thence along
the whole front to the Dniester in
Galicia, Emperor William has started
for the front of Gen von Linsingen
near Lutsk, where the principal fighting
is taking place.

At various places in this sector and
in Galicia, Petrograd asserts that the
Austro-Germans have been defeated.
Berlin, however, declares that the on-
ly point where the Russians reached
the Teutonic lines was north of Zubi-
no and that there they later were
driven out of the captured positions.

Although there is some divergence
in the official reports from Sofia and
Bucharest concerning the fate of the
force of Rumanians which was thrown
across the Danube into Bulgaria, the
fact is patent, according to a Buchar-
est communication, that they have
ceased their "demonstration." Buchar-
est adds that the Rumanians with-
drew to the left bank of the Danube,
but Sofia asserts that the battlefield
in northern Bulgaria between Rus-
sians and Teutons, where they
crossed the river, is covered with Ru-
manian dead as a result of their forced
speedy retirement back to their
own soil.

All attempts of the Rumanians and
Russians to advance in Dobruja have
been frustrated by counter-attacks of
the Teutonic allies. Thirteen cannon
have fallen into the hands of the
Russians and Rumanians in this
region.

In Transylvania the Rumanians
have captured, near Parajd, Austro-
German fortifications, after a battle
that lasted three days. Near Beko-
ten, north of Fogaras and 15 miles
north of the Hatzeg mountains the Ru-
manians are reported by Berlin as in
retreat, but it is admitted by the Ger-
man press office that the invaders have
made another gain in the Orsova sec-
tion.

Forces of the entente powers have
driven their line to within 12 miles
of Monastir, Serbia, and occupied the
town of Buf. On the eastern part of
the Macedonian front the occupation
of Yenikeli, near the Struma river,
by the British is admitted by Berlin.
Likewise, Berlin concedes the taking
by the entente forces of Nidje moun-
tain, east of Monastir. The Italians
have captured several additional
towns in Albania.

Considerable fighting has again
taken place in Asiatic Turkey, where
along the coastal region Russian land
forces, in co-operation with their fleet
have made attacks on a wide front,
inflicting heavy losses on the Turks
and capturing arms, ammunition and
supplies, says Petrograd. Constanti-
nople reports the repulse of the British
in an attempt to advance along the
Euphrates front, near Nasiriyeh.

FRAONIA TORPEDOED

Cunard Liner on Transport Service
Sunk With Loss of Twelve Lives.

London, Oct. 5.—The admiralty an-
nounces the Cunard steamship Fran-
conia, on transport service, was sunk
in the Mediterranean yesterday by an
enemy submarine. The steamship had
no troops aboard. Twelve men
of the crew of 302 are missing.
According to the latest available re-
ports the Franconia was being used
as a British transport. It was of 8,150
tons gross and was built in 1910. Its
maiden voyage was between Liverpool
and Boston in February, 1911. The
vessel was 625 feet long, 72 feet wide,
and displaced 25,000 tons.

The last report of the Franconia in
June, 1915, announced it had been
chartered to carry British troops to
the Dardanelles.

VANCE M'CORMICK FACES \$50,000 LIBEL SUIT

Jeremiah O'Leary Wants to Know
if Hypenism is Libelous

O'LEARY ASSESSES LOYALTY

Litigation Grows Out of Plaintiff's
Recent Message to President
Wilson.

New York, Oct. 6.—Vance C. Mc-
Cormick, chairman of the democratic
national committee, announced late
yesterday that he had been served
with a summons in a suit for \$50,000
brought against him by Jeremiah A.
O'Leary, president of the "American
truth society." Mr. McCormick said
he had not been apprised, however, of
the charges upon which the suit was
based. Mr. O'Leary, in a statement
issued soon afterward, declared that
his purpose in instituting the action
was "to find out first, whether hyp-
enism, so called, is libelous, and sec-
ond, whether it is inconsistent with
Americanism."

Mr. O'Leary said he resented a
statement attributed to Mr. McCor-
mick, criticizing him for sending an
"insulting message" to President Wil-
son. In that message Mr. O'Leary crit-
icized the president for "not enforce-
ing American rights against Great
Britain" and informed Mr. Wilson
that he would not vote for the re-
election of the president. Mr. Wilson
said that he would "feel deeply mortif-
ied to have you (O'Leary) or any-
body like you vote for me," adding,
"since you have access to many dis-
loyal Americans and I have not, I will
ask you to convey this message to them."

In the statement attributed to Mr.
McCormick appearing Wednesday and
upon which Mr. O'Leary said he based
his suit for libel, the chairman of the
democratic national committee was
quoted as having commented upon the
presence of Charles E. Hughes at the
Union League club reception Tuesday
night, concluding with the statement
that there could be no doubt about
Mr. Hughes' position because of his sil-
ence on the message sent to the pres-
ident by Mr. O'Leary.

Mr. O'Leary gave out last night the
following: "My purpose in suing Mr.
McCormick is to find out, first, whether
hypenism so called is libelous, and
second, whether it is in consistent
with Americanism. I also sue him as
a challenge to him to let an American
jury decide whether a protest to the
president because he has no enforced
American rights against Great Britain
is disloyalty. I also resent the hid-
den imputation contained in his
statement that any man running for
a public office could repudiate my
vote, or the votes of millions of my
fellow-citizens who think as I do. A
citizen's loyalty to his country is not
a proper part of a political campaign,
and therefore I feel that it is wrong
to assert it politically because it
strikes at the fundamentals of our
citizenship."

"What right would Charles E.
Hughes have to repudiate me? What
right has he to repudiate any voter
who would vote for him? I yield to
Mr. McCormick his right to support
Mr. Wilson and to vote for Mr. Wilson
and no matter how faithless I believe
Mr. Wilson has been in protecting
American lives, property and com-
merce, I will never assert that he
was disloyal because he supported
Mr. Wilson and differed from Mr.
Hughes."

John R. Jones, counsel for Mr.
O'Leary, declared that Mr. O'Leary
"also intends to begin other libel suits
against newspapers throughout the
country which have questioned his
right and abused him for sending
what he considered to be a perfectly
proper telegram to the president of
the United States."

Austrian Tyrol frontiers come to-
gether.

This is the first instance of a Swiss

tilities began.

YALE ENDOWMENT \$18,431,444

Increase of \$2,256,356 Reported for
Year Ended June 30.

New Haven, Conn., Oct. 5.—The an-
nual report of the treasurer of Yale
University, made public today, shows
the institution now has an endowment
aggregating \$18,431,444.64. There was
an increase of \$2,256,356.69 for the
year ended June 30, 1916.

VERMONT POSTMASTERS FINED

Used U. S. Funds and Placed Money
in Wrong Cash Drawer.

Rutland, Oct. 5.—During the noon
recess of the United States district
court today Judge Harland B. Howe
of St. Johnsbury disposed of three
criminal cases in which the respon-
dents were ready to plead guilty. A.
J. Hubbard of Tyson was fined \$50 for
opening a letter not addressed to him
and Sylvester Smith, postmaster at
Hubbardton, was fined \$50 and L. H.
Spaulding, Bridgewater, postmaster,
was taxed \$25 for technical embezzle-
ment of postoffice funds.

The offense against the postmas-
ters was misplacing postoffice money.
In the case the respondent used a
small amount temporarily as a mat-
ter of convenience in his mercantile
business, when he possessed an ample
amount to make the sum taken good,
and in the other the accused merely
placed the money in the wrong re-
ceiptable. The shortage was very
small in Mr. Smith's case and there
was none in the case of the Bridge-
water man. Judge Howe expressed
the opinion that there should not be
a law making such a technical offense
punishable by a fine.

The time in court today was taken
up with the testimony in the negli-
gence case against the National Metal
Box Edge company of Readsboro in
which Livio Francheschetti's adminis-
trator seeks to recover for the death
of Livio, a boy of five, by drowning
in the defendant's canal. The plain-
tiff contends that the canal was not
properly guarded. The defense claims
trespass and declares that it was not
bound by law to put up a guard rail
the entire length of a canal.

Judge Howe has not given a deci-
sion on the petition of Vermont stock
holders for a co-receiver for the Bos-
ton & Maine railroad. He has intimat-
ed that in lieu of such an officer he
will designate an attorney to look af-
ter the interests of Vermonters in all
proceedings of the road.

TURKS DEFEATED IN ARMENIA

Russians Aided by Fleet Take Fortified
Position.

Petrograd, Oct. 5.—Suddenly resum-
ing their offensive in Turkish Arme-
nia, west of Trabzon, the Russians
with the co-operation of the fleet have
inflicted a severe defeat upon the
Turks, moving forward along a wide
front, the War Office announced today.
A fortified position in the River Kara
Burnu region has been captured and
great losses inflicted upon the Turks.

KAISER GOES TO EAST

Progress of Russian Drive on Lem-
berg and Kovel Alarms Berlin.

London, Oct. 5.—For the first time
in several days Petrograd officially
reports progress in the big battle that
has been raging along a 125 mile
front, where the Russians are strik-
ing toward Lemberg and Kovel. The
stubbornness of the Teuton defence
continues, and every foot of trench
is dearly bought.

Kaiser Wilhelm has left Berlin for
the eastern front to encourage by his
presence the troops of Gen. von Lin-
singen, who are bearing the brunt of
the heavy Russian attacks, it is an-
nounced officially from Berlin. It
is reported that alarm is felt in Berlin,
lest the Teutons cannot stand the
strain of superior numbers incessantly
hurled at their lines.

CHRISTIAN ENDEAVOR

State Union Meets at Montpelier—W.
H. Gilpin President.

Montpelier, Oct. 5.—The closing ses-
sions of the State union of the Chris-
tian Endeavor society, which convened
Tuesday morning, were held yester-
day afternoon and evening, the after-
noon meeting being devoted to the
election of officers and the closing
session was marked by the excellent
address given by the Rev. A. W. Hew-
itt of Plainfield, member of the State
board of education. The convention
enjoyed an unusually large attend-
ance this year and was considered one
of the most profitable ever held.

Following is the list of officers elect:
President, Wallace H. Gilpin of
Barton; vice president, Rev. Chas.
Adams of Danville; secretary, Miss
Emma Seaver of Barton; treasurer,
Chauncey B. Story of Hyde Park;
junior superintendent, Mrs. H. A. Free
man of Woodstock; superintendent of
missions, Miss Lenora Chamberlain of
Montpelier; assistant, Miss Olive An-
derson of Montpelier, superintendent
of Bible study and evangelism, the
Rev. G. E. Robins of Castleton; audi-
tor, A. M. Maxwell of Johnson.

The Rev. Fraser Metzger of Ran-
dolph spoke yesterday afternoon on
"Millions Campaign." The "Child-
ren's Garden" along junior conference
lines was discussed by Miss Ben-
dine Bates of Bennington, who is field
secretary of the Maine Christian En-
deavor union, while Mrs. William
Milne of Barre gave a demonstration
of what the Barre juniors are doing.

Duffy of the east hill received a tele-
gram Wednesday from the war de-
partment in Ottawa saying that his
son, F. L. Duffy, is in a war hospital
in France, having been shot through

did not know where his son was.

COMPANY TO FIGHT STRIKING CARMEN TO A FINISH

Determined to Exhaust Treasury of
Amalgamated Association

HOPES OF SETTLEMENT GONE

Union Leader Says There Are No Ne-
gotiations in Progress at
Present.

New York, Oct. 6.—The dove of
peace, which for days seemed to be
hovering over the traction situation,
took wings yesterday for a prolonged
flight. It was evident from state-
ments made by James L. Quacken-
bush, speaking for the Interborough
and New York Railways Company,
and Frederick W. Whitridge for the
Third Avenue that they will continue
their fight until they have exhausted
the Amalgamated Association of
Innecy and men.

Complete discouragement was given
to the efforts of Samuel Gompers to
act as adjuster. Quackenbush said
the companies will not entertain any
suggestion he can offer for a peaceful
settlement. Whitridge reaffirmed his
determination to refuse employment
on his lines to all members of the
Amalgamated.

This adamant opposition was a
setback to the strikers. They had
been led to believe in the last few
days that there was a prospect of
yielding by the traction heads. After
the announcements of Quackenbush
and Whitridge they braced them-
selves for a continuance of the fight.

With the fourth week of the strug-
gle coming to an end the Amalgama-
ted finds itself facing two trying sit-
uations. The first is the necessity for
paying out another \$50,000 in strike
funds to the men who quit work. This
payment came due today. The second
is in the fact that at least 500 men
have deserted the union to go back to
work. Two hundred of these
have gone back to the "green car"
lines and 311 have returned to the
Third Avenue.

William B. Fitzgerald, the strike
leader, in addressing Columbia Uni-
versity students yesterday said his
organization has been receiving large
sums of money from sources outside
organized labor. Grocers also have
been making donations of food for the
strikers, Fitzgerald said. There is no
actual suffering among his men, he
declared, and there have been no
evictions. He said earlier in the day
that he has no negotiations under
way with a view of ending the strike.

"Is it possible Mr. Gompers is con-
ducting settlement negotiations over
your head?" he was asked.
"If by the words 'over your head'
you mean against my will, I can say
no. I am perfectly willing that any
man or woman in the world shall set-
tle the strike—if he or she can."

PREMIUMS AWARDED

Fruit and Vegetables Feature of Ex-
hibit at St. Albans

St. Albans, Oct. 4.—The awarding
of premiums was the principal mat-
ter of interest at the Franklin county
agricultural and industrial exhibit to-
day, the judges being J. Coryell and
Miss Bessie M. Thayer of the agri-
cultural extension service. Mr. Cory-
ell says the exhibit of fruit and veget-
ables is the best he has seen in the
state this year, both in numbers and
quality. He says the farmers should
take their fruit to the New England
Fruit show at Montpelier November
7-10. The number of exhibits runs
just over the thousand mark.

The exhibition is to be held open un-
til Friday noon in order that the mem-
bers of the Burlington Merchants' as-
sociation may have an opportunity to
visit the city hall while on their "Bet-
ter Acquaintance" tour that day.

Haven.

Fair Haven, Oct. 5.—Arnold Owens,
nine-year-old son of Mr. and Mrs. Rob-
ert Owens of South Main street, died
at 5 o'clock this morning after a
week's illness with infantile paraly-
sis. He was taken sick on the morn-
ing of his ninth birthday. This is
the second case of poliomyelitis in
town this year, both being in the
same family. Mr. and Mrs. Owens
have lost their two children, all they
had, within three weeks. The burial
took place at 2 o'clock this afternoon
at Cedar Grove cemetery, Rev. J. M.

FANS SCRAMBLED FOR TICKETS TO WORLD'S SERIES

Applicants at Fenway Park Resem-
ble Bleacher Crowd

SALE UNDER NEW SYSTEM

More Disappointed Applicants Than in
Any Previous Year of Baseball
Classic.

Boston, Oct. 5.—Seekers of reserved
seats took on the appearance of
bleacher crowds yesterday in the
scramble for reservations for the
world's series baseball games, which
begins there tomorrow. They swarmed
about the ticket offices at Fenway
park in lines broken often by the
eagerness of some enthusiast to ob-
tain earlier possession of tickets.
Women and staid business men vied
with messenger boys and others in
their effort to gain prominent places
in the line. No actual disorder de-
veloped, but the police were called
upon to reform lines, and club em-
ployees endeavored, unsuccessfully, to
place disappointed applicants who
clamored for answers to their written
requests for seats.

The rush for reservations was a re-
sult of a new system, made neces-
sary this year, President J. J. Lannin
of the Boston Americans explained,
because of the late date upon which
the American league race was decided.
By this system successful applicants
were assigned a number calling for
tickets of a certain class, without a
definite designation of the seats as in
other years. Those first in line ob-
tained the better seats as they were
distributed by the ticket-sellers, and
it was to obtain this advantage that
applicants sought the leading places
in the lines.

In all probability, club officials
agree, more persons have been disap-
pointed through failure to receive
tickets this year than ever before.
The fact that the series opens in
Boston and that the third game in
that city, the fifth of the series, will
be played on Columbus day, a holiday,
if the schedule is followed, has great-
ly increased the demand. Hundreds
of requests have been refused.

BLANCHE BATES CAUSE OF SUIT

Action Against Film Company After
She Refuses "Screen Test."

New York, Oct. 6.—The Popular
Film Corporation, which is being sued
by Charles Emerson Cook, Inc., for
money alleged to be due as agent's
commission, filed an answer yester-
day saying Blanche Bates refused to
submit to a screen test and so no
agreement was made by the film cor-
poration to employ her.

Lawrence S. Harris is president of
the film corporation, which, admitting
that it paid no part of \$18,750 to the
plaintiff, says that in May Charles
Emerson Cook offered the services of
Blanche Bates and that the defend-
ant offered to employ her provided
she posed before the camera as a test
and the test resulted satisfactorily.
But the engagement was adjourned
several times, says the defendant,
and the actress at length refused to
submit to the test.

Anyway, points out the film corpora-
tion, it is a well known and long es-
tablished custom in the motion pic-
ture business for agents to collect
their commissions from employees and
not employers.

DISTRICT MEETING, I. O. O. F.

Over 200 Odd Fellows Attended Ban-
quet Thursday Evening.

Eneco lodge of North Adams, Hope
lodge of Manchester and Shaftsbury
lodge were delightfully entertained
Thursday evening by Stark lodge. The
occasion was the annual district meet-
ing of district No. 1. One hundred
members of Eneco lodge were present,
escorted by the Greylock band. The

team worked the first degree on a
number of candidates.

The address of welcome was made
by R. H. Galusha of Stark lodge and
A. J. Davis of Hope lodge responded,
while Grand Master J. G. Roy of East
Barnet, responded for the grand of-
ficers.

After the exemplification of the de-
gree the report of the lodges in the
district was heard, after which those
present, numbering in all over 200, sat
down to a banquet served by Miriam
lodge. Following this, remarks were
made by all the grand officers present
including Grand Master J. G. Roy, of
East Barnet, Grand Warden O. W. Ed-
wards of Burlington, Grand Secre-
tary F. W. Jackson of Barre, Past

DAIRYMEN TURNED DOWN OFFER OF DISTRIBUTORS

Had Agreed to Demanded Advance
of 45 Cents Per Hundred

BUT FOR ONLY ONE MONTH

Producers Continue to Insist Contract
Shall Cover Period of Six
Months.

New York, Oct. 5.—Efforts to reach
a settlement of the deadlock between
distributors and dairymen which
threatens New York city with a milk
famine, failed late yesterday when
John J. Dillon, state commissioner of
foods and markets, who is the accredited
agent of the dairymen's league, refused
to accept the advance in price demanded by the
farmers unless contracts were made
on a six-months' basis. He was sus-
tained in his position by R. D. Cooper,
chairman of the executive commit-
tee of the league.

The distributors, led by the Borden
condensed milk company, had agreed
to pay the 45 cents per 100 pounds
increase in price upon which the
league members insisted, but upon
the stipulation that it should be for
the month of October only. The ad-
ded condition was imposed that an im-
partial investigating committee sat-
isfactory to both sides to the contro-
versy, should be appointed by Mayor
Mitchell for a further investigation of
conditions. The offer, it was an-
nounced, was subject to the approval
of the district attorney. It was con-
ditioned also "upon the dealers receiv-
ing, as heretofore, milk from their for-
mer patrons promptly and without
hindrance."

Under this offer, the price paid to
farmers for grade B milk would be
\$2.25 a hundred pounds. A state-
ment issued in behalf of the milk deal-
ers said: "This price is made sim-
ply to our individual farmers. It is
not made with any league or with
Commissioner Dillon and our busi-
ness arrangements with the farmers
will be as heretofore as between the
various companies and themselves."
Representatives of the various in-
terests involved were in conference
yesterday afternoon when the an-
nouncement reached them that the
Borden company had decided to meet
the producers' demands for a higher
price. The offer was made, it was
said, in behalf of the public. "The
babies must come first and the milk
companies second," said Vice-Presi-
dent H. N. Hallock. "So, although we
feel the increase is excessive, we have
decided to meet it." The other dis-
tributors decided they would be forced
to follow the lead of the Borden com-
pany, which handles one-fifth of the
2,500,000 quarts distributed daily in
New York city.
